POEMS FOR THE HEART

DANCAN ORODI

SHE'S ALL THAT

She can be that darkness in your night

She can be your beautiful morning

light

She can be the warmth that lights you

up when you feeling moody

She can be that cold that shakes your

body

She's that blazing fire

She's that cold ice

She can quench your desire

She can also burn your eyes

She can be that unexpected bomb

She's that beautiful rainbow after the

storm

She's that lightening that strikes

bright

POEMS FOR THE HEART

DANCAN ORODI

She's the thunder that scares right

She can be that drug that you need
every day

She can also be the asthma that takes
your breath way

She can heal you and give you a
better life

She can numb your heart 'cause she's
sharper than a knife

She's a lover, she's a hater

She's a giver, she's a taker

She's an angel and the devil by the
shore

Yes she is all that and so much more

POEMS FOR THE HEART

DANCAN ORODI

ONLY KNEW YOUR NAME

You were the most humble beautiful
flower to have ever met
You made me fall in love so easy then
caught me in your net
You captured my heart, locked me in
and threw away the key
In the morning, at noon, in the
evening, at night you were the only
thing I wanted to see

Why?

Because you were so true unlike
others so real
You made trusting to me look like a
no big deal
By the way, I'm not like other guys
who easily feel
But you stepped in my life and you
changed the drill

POEMS FOR THE HEART

DANCAN ORODI

One foot in, one foot out now that's
something that I could have never
seen

Boy was I blind?

And what took away my sight?
Thinking that you were one of a kind
I didn't judge the book by the cover,
but you only opened the pages you
wanted me to read

And I enjoyed every chapter you
opened but the bad chapters, you hid

I thought I'd learned all of you. I
knew just how you loved your coffee
And that, whenever we were not
together, you were spending time
with your best friend Sophie
I knew you loved my mandazi but not
as much as the taste of my pancake
You never liked to go out but you
only did it for relationship sake

POEMS FOR THE HEART

DANCAN ORODI

I knew you loved long dressed and six
inch high heels 'cause they made you
look presentable

And you thought your short hair
always made you noticeable

You hated make-up because you
loved it natural

And you loved you simple because
you always want to be original

I thought I knew where all your
sensitive sports are

I thought I knew just when you
wanted me to stop and when you
wanted me to go far

I thought I knew your favorite kind of
kiss

Oh boy, for a moment, I was almost
sure that I knew all of you miss

I thought I knew what every single
tattoo on your body meant

POEMS FOR THE HEART

DANCAN ORODI

I thought I knew the meaning of every
Morse code you sent
Now I'm not even sure of your
morning or evening scent
You are not the same person, the
same person that I met

Now it's clear that we, you were all
just a lie
I even wonder if the tears were real
whenever you'd cry
I thought I could tell whenever you
were honest or dishonest boy it was
all just a game
It took me long enough to realize this,
but I'm now sure that I only knew
your name

A POEM FOR YOU

I've read hundreds of love stories and
narrated some to the ones I love
I've myself written tens of poems for
different people, yes I have
I've talked of how love is blind, sun is
bright and the sky is blue
But tonight, I just want to write this
one love poem for you

I know it's taking long forgive me but
I'm thinking of something to write
I'm still looking for some sweet
unique words that will sound right
You know you are special I can't
write you something mediocre
No way, even if it will take me the
whole night, I must write you
something better

No I don't want to use ordinary words;
love portion, attraction, affection

POEMS FOR THE HEART

DANCAN ORODI

I want words that have never been
used before oh boy where is my
diction

At this rate, how long will this take? I
have no clue
Either way, I have to write this poem.
This love poem for you.

From the first time I saw those ruby
eyes I thought, they should look at me
only

The first time I kissed those cherry
lips, all I could think of is how they
taste lovely

When I first held you tight I could
only think of how that body is sexy
And when I first heard your heart beat,
I knew that it will be mine wholly

When you smiled at me, I got
confused for a moment
And for a minute, I was speechless
with no single comment

POEMS FOR THE HEART

DANCAN ORODI

It was a beautiful scene you standing
there with a crescent smile as the sun

set

Then you said hello. And I felt our
hearts connect

Your body is hotter than... yeah that
Whenever you are near I so try hard
but always tempted to touch

I call you nature because of the
beauty I first see when I wake up
And maybe 'cause you are naturally
beautiful and you don't need makeup

Wait, are the words I'm saying even
making sense

I feel that these are not the right
words to describe your beauty and
maybe that's why I tense

You can say I'm not good at this,
aahm that's true

POEMS FOR THE HEART

DANCAN ORODI

Scrap that here we go no matter what
it take I'm now writing this love poem
for you

SAYING IT AGAIN

I've said it before and I'll say it again
So it sticks on your mind, yeah gal
that's my aim

When we were starting they told you
that all men are the same

Thank you for believing when I said,
I won't play you like a game

So don't you ever be afraid, relax
where you sit

We might not be DJs but our hearts
are beautifully synced.

You've taken all of me, this loves is
on repeat

And I want it printed in your left
ventricle so it flows in your veins
with every heart beat

Yes I know the world is beautiful but

POEMS FOR THE HEART

DANCAN ORODI

my eyes are stuck on you like a glue
I made you a promise and forever I'll
stay true
I said this before and I'm going to say
it again and again and again
You are the only one I adore so tell
them to stick to their lane

The feeling you give me I cannot
explain
The loving you giving, I want that
again and again
Today, tomorrow I want it to be all
the same
And when we old and grey, I still
want to be calling your name

POEMS FOR THE HEART

DANCAN ORODI

ONE DAY

One day I will just wake up and stare
at that beautiful smile then kiss you
goodbye and leave

Then I'll just walk down the streets
looking and searching and searching

I'll just move from one street to
another with dedication it has to be
productive

Besides, the streets are always
beautiful so beautiful in the evening

One day I'll just walk straight in to
one of the most beautiful shops no
doubt

And I'll pick the most beautiful
diamond ring

Then I'll go to the counter, pay up,
walk to the door and step out

POEMS FOR THE HEART

DANCAN ORODI

Look left then walk right as I whistle
or better yet, as I sing

One day we'll just leave town with a
few of your friends and mine or just
the two of us, still fine
And travel the coasts I'm thinking
Havana, Rio, Valparaiso I know you
love Hawaii or maybe Miami
But if I'm broke and only have a few
dime in both my bank account and
Mpesa line
Worry not my little bird. We can still
tembea Kenya and visit the magical
Diani

POEMS FOR THE HEART

DANCAN ORODI

One day we'll just leave the beach,
get into a yacht and just go far west
towards the sun set

Till all we can see is only the sky,
water all around us and the beautiful
red sun

Stare at that beautiful face; watch that
crescent smile thinking of how to
complement you best

Hold your hand, looking into your
eyes then call your name just to hear
you say, "Yes Hun."

Then we'll set up a table with red
candles and your favorite wine on the
deck

Oh yeah, your favorite flowers too,
just imagine how beautiful that scene
will be

POEMS FOR THE HEART

DANCAN ORODI

I'll then reach slowly to my jacket
pocket as you sip your wine and
check

And as your glass go down so will I
on one knee and ask, "Will you marry
me?"

One day we'll wake up to a beautiful
all white jeep convoy to church
In your white gown slowly walking
down the aisle smiling and happy too
Just watching that beauty can a man
really ask for much?
Just want to look into your eyes as
you say, "Yes I do"

BENEATH YOUR BEAUTY

Show me something I know not about,
show me something new
And don't tell me I know everything, I
want something I never knew
I don't want to see what is on the
surface no, I want a new view
I know there are things I don't know
about, deep even if they are just a few

Take me deep inside those cute eyes
and show me what you see when you
look at me

Do you see me for who I really am or
just what you want to see?
Are you comfortable with who I am
or you have a picture of who you
want me to be?

Please take me deep inside those
beautiful eyes and show what you see
when you open them to me

POEMS FOR THE HEART

DANCAN ORODI

I look at you and all I see, is you
really thinking
I wish I could go inside your mind
and witness what is happening
Am I the one shaking your mind or is
it shaken by pretty much everything?
Take me deep inside your mind and
show me everything that you are
hiding

Whenever you see me, what thought
is created in there?
When I'm not around you, is my
picture still in your mind or am
nowhere?
Whenever I say those hurtful words
when we fight, how long does it take
for you to forget?
And when I say I hate you, how long
does it stay in your thought?

I wish I could go deep in your heart
even just for a moment

POEMS FOR THE HEART

DANCAN ORODI

And see what you said, "I give you"
and told me to protect
I just don't want to listen; I want to
see how it beats when telling a lie
You said I'll always be in your heart,
take me deep and show me where I lie

People say you have a beautiful heart;
I hear that a lot from Jane, Rose and
mike
I wish I could just go deep inside and
see what that heart looks like
'Cause yours, is the heart everybody
wished they have
Even though I can't see it, that's the
kind of heart that made me fall in love

I just want to tear off that beautiful
dress and see what lies under
I want to go beneath that soft skin and
see what lies deeper
I want to go beneath those sexy
curves is it dark, bright or brighter

POEMS FOR THE HEART

DANCAN ORODI

You don't even have to show me, just
take me and I'll find out myself you
know me I'm a seeker

I want to see what's beneath those
beautiful eyes maybe I'll understand
why they blink like that

I just want to go beneath that sexy
chest and see what is deep in your
heart

I want to see beneath that fancy style
on your hair and your body

I just want to see what is deep, deep
beneath your beauty

TAKE ME BACK

I want you to take me back
Yes, take me back to that day
The warm day under the bright sun in
the clear blue sky
The day that I first saw that cute smile
The day I was taken aback by that
blinding beauty
The day I first said hi and you gave a
breath taking smile

Please take me back
Take me back to that night
Alone in my bed with you in my head
Hearing your harmonized tweets
through my ear piece
Take me back to that night no one
wanted to hung up the phone
'Cause I never wanted to be alone

I'm asking you to take me back
Take me back to that deem candle
light

POEMS FOR THE HEART

DANCAN ORODI

Back to the slow cool music
Back to the glasses, steel blades and
the wine
Back to the whispers, the smile, the
laughter
Back to that dress, the glamour, the
glitter and the glare
The looks, the style, the stare
Back to our first dance
I want to go back to our first dinner

Oh take me back
Back to the blue deem light above the
clear white bed covers
Your body covered only by a silky
white dress
Take me back to the warm kisses
Back to the night of romantic coitus
I want to go back to the snuggles, the
cradles, the warm cuddles

Just take me back
Back to the 'I care less'

POEMS FOR THE HEART

DANCAN ORODI

Back to the broken glasses of trust
Back to the conflicts, strife, the fights
Take me back to that cold rainy night
The "you are dead to me" night
The night that you walked outside
that door
I can do anything just to take every
single word I said back
Just take me back
Back to when it was just us

REMIND ME

Remind me how it feels to crave
affection

How it feels to need a person
Remind me how the heart skips a beat
when they are near
Remind me how to hold their feelings
so dear

Remind me how it feels to wake up to
a beautifully drafted text in the
morning

How the sound of love feels in the
dark at night when you are yawning
By the way, how does it feel these
days when you hear their voice call
your name?

Has anything changed at all or are
things still the same?

POEMS FOR THE HEART

DANCAN ORODI

Remind me how to go out on a date
How to hold hands in the dark while
taking a walk out late
Or how to play in the kitchen when
fixing a plate
Remind me I think I've forgotten, I'm
sure some of you can relate

Remind me how it feels to have a
shoulder to lean on after a long day
Remind me how it feels to listen to
the beat of their heart when you both
have nothing to say
How does it feel to argue with the one
you love by the way?
Remind me, 'cause I've forgotten, yes
I have. Remind me how to fall in love

POEMS FOR THE HEART

I want to listen to a poem
Not sad poems no, happy ones
Poems that will make my heart
sparkle with love
Poems that I can sing to the woman I
love. The only one I have

I want to pour out my heart while she
is asleep
And tell her of all the feelings she has
awoken from very deep
How she is my keeper and my heart is
hers to keep
I want to listen to a poem by
Christopher, While You Are Asleep

She has to know her beauty doesn't let
me feel at ease
When she smiles at me, she blows my
mind like an ocean breeze
I love those sexy lips whenever we
kiss. Feeling so warm but I still freeze

POEMS FOR THE HEART

DANCAN ORODI

I wonder what poem will explain her
beauty; play me Tiara in Her by
Abdulla Feeze

How shall I make her see her love has
jumbled my mind?
To her my words are naked, straight
on got nothing to hide
"I love you" from her, more precious
than diamond
Three little magical world, play me
Love Slogan by Raymond

I want to listen to a poem. A poem I
can sing to my beloved
Not a sad poem, no, a poem deep
from the heart and with love narrated
Shuffle and shuffle this playlist but
finding that one love poem is hard
Now I'm just trying to listen to, Will
You Still Love Me by Richard

POEMS FOR THE HEART

DANCAN ORODI

I hate this playlist I find myself
hitting next
I want a love poem; I only want to
master the best
I don't want a poem that will kill her
mood even before I start
I want a poem that will help me
capture that heart

I want a poem that will help me
capture all of her beauty
No sad poems, I want a poem that
will only make her happy
I want a poem that will tell her how
sexy that body is in the dark every
night
I want a poem telling her that I will
only treat her right

Are there poems on Romeo and Juliet,
Jack and Rose, Bonnie and Clyde?
I want a poem written to someone by
someone with a lot of pride

POEMS FOR THE HEART

DANCAN ORODI

Play me a poem written with love,
full of love from the start
Play me a poem that is romantic, for
they are the poems for the heart

MY TOTTOOS

For so long I've wanted to have a
tattoo

Something simple and cool. And also
close to my heart

There was a time before love I was so
into pets and I almost drew my cat
That's a story for another day by the
way his name was Bratt

Now there are a few reasons why I've
never gotten a tattoo even though I
think of it again and again

First off; to avoid complications, I
hear you have to look for someone
with a hand that is fine

But my major concern, the one thing I
fear the most, is the pain

And you can't get drunk to numb it
come on not even a little wine?

Anyways, I fell in love with your
tattoos, they are so beautiful

POEMS FOR THE HEART

DANCAN ORODI

They are so inspiring, every part, the
guy must be so skillful
And even fell in love more when you
were explaining the meaning of each
And after the last one you said the
once you love most are those out of
reach

You further explained, tattoo is just a
scar caused by ink on skin mostly for
memories

But we bear scars deep within that
take us way back and tell the most
stories

We don't choose to have them. We
don't choose how much pain they'll
inflict

No planning, no warning always
when you least expect it

So I thought to myself; why would I
need more scars? I already have
enough inside

POEMS FOR THE HEART

DANCAN ORODI

Both good and bad memories, happy
and pricking moments are tattooed on
my mind

And I smile to the thought of some
like your voice and your smile too

Your eyes, these are some of the
things that make me proud of each of
my tattoo
